SANY HEAVY MACHINERY UK LTD APPOINTS T H WHITE AS NEW DEALER FOR THE WEST MIDLANDS AND SOUTHWEST

SANY Heavy Machinery UK Ltd is pleased to announce a new distribution partnership covering the West Midlands and part of Southwest England.

Effective immediately, T H WHITE Ltd has been appointed as SANY's authorised dealer for Construction machinery sales, service, and parts across the West Midlands and parts of the Southwest. The partnership will be supported through T H WHITE's depots in Stourport and Marlborough.

T H WHITE Construction, a trading division of T H WHITE Ltd, has been serving the construction industry for over 40 years, working in partnership with leading global equipment manufacturers. The business is a well-established supplier of telescopic forklift trucks, access equipment, excavators, dumpers, compaction equipment, skid-steers, loaders, rollers, pavers, and construction equipment attachments.

TH WHITE Group succeeds MSM DRH Ltd, who represented and supported the SANY product line since 2020, and the two companies have enjoyed a successful partnership throughout the last 5 years.

Leigh Harris, Business Development Director at SANY UK, commented, *"We are delighted to welcome T H WHITE as our new dealer for the West Midlands and Southwest. Their long-standing experience, industry knowledge, and commitment to customer support make them an excellent fit for the SANY dealer network. With more than four decades of service to the construction sector, T H WHITE brings the strength and stability needed to further grow the SANY brand in this important region. We would also like to extend our sincere thanks to MSM DRH Ltd for their dedication and partnership over the last five years and wish them every success in the future."*

Adrian Lovegrove, Division Director for Agriculture, Construction, Dairy & Groundcare at T H WHITE, added, *"We are thrilled to welcome SANY into our construction machinery portfolio. This strong, competitive, and innovative brand will significantly enhance our offering and allow us to better serve construction customers across the territory. Our specialist sales teams, supported by expert parts and service provision, place customer service at the heart of everything we do, and the addition of the SANY product range will further strengthen that focus."*

The accompanying photograph shows Mr Ming XU, Senior Vice President at SANY Group, and Alexander Scott, CEO of T H WHITE Group, at the signing ceremony marking the formal agreement between the two organisations.

PRESS RELEASE

ABOUT SANY:

SANY UK is a subsidiary of SANY Group, one of the world's largest manufacturers of construction and heavy machinery. Backed by an industry-leading warranty, SANY provides a range of high-performance equipment, including excavators, telehandlers, wheel loaders and cranes, built to meet the challenges of various industries, including construction, demolition, agriculture, and landscaping. Our strategically positioned, nationwide dealer network offer the latest range of machinery, expert advice, service and parts supply.

As part of SANY Group's extensive global structure—which includes multiple industrial parks and manufacturing facilities, SANY UK benefits from the organisation's worldwide R&D, production, and technological capabilities.

SANY UK's infrastructure includes its headquarters and major operational hub in Coatbridge, Scotland, which currently houses sales, support and logistics functions, along with a dedicated parts warehouse, with further significant investment planned for 2026 which includes new facilities and new people.

ABOUT T H WHITE Group:

T H WHITE Group is a specialist engineering services provider, supplying, supporting, and maintaining machinery and equipment across multiple sectors, including agriculture, construction, dairy, groundcare, lorry cranes, grain handling, renewables, and fire & security. Established in 1832, the business is a trusted partner with a long-standing reputation for helping customers get the best from their machinery, land, and buildings. T H WHITE operates from 15 branches nationwide and employs over 600 people.
