

T H WHITE driving clubs towards funded machinery upgrades

This exciting new partnership will help unite clubs with grants of up to £50,000.

The GFA is delighted to announce a new partnership with leading machinery supplier T H WHITE.

[T H WHITE Groundcare](#) specialises in maintaining community and high-performance sports pitches, drawing on decades of experience across schools, grassroots clubs and professional venues. They provide expert sales advice and outstanding after-sales support.

Did you know?

Grassroots football clubs can access funding of up to £50,000 for pitch maintenance equipment and machinery, covering 75% of your total project costs.

As our Preferred Machinery Supplier, T H WHITE will work to support our clubs with access to Football Foundation funding. After a quick pitch assessment, you will receive professional advice on your eligibility and funding options.

T H WHITE supply tractors, mowers and plenty more from some of the globe's most renowned groundcare brands such as Iseki, Toro, Wessex, Kress and GKB. All of these are available with 75% funding from the Football Foundation.

To find out more about funding, we advise you to get in touch directly with your local T H WHITE rep:

“We are absolutely delighted to welcome T H WHITE as a partner for the long term,” said **Matt Liddle**, GFA Commercial Manager. “Their commitment and professionalism has been evident from the off and we are sure that Gloucestershire’s clubs, pitches and players will benefit for years to come.”

“We are excited to partner with the GFA to help our customers get the best from their sports and recreational spaces whilst also delivering real cost savings” says **James Ashworth**, Commercial Director at T H WHITE. “We understand just how important a high-performance playing surface is.

That's why we not only supply the right equipment to create top-quality pitches, we also provide unrivalled aftersales to look after it for its lifetime."

"T H WHITE share our passion for improving pitches," added **Rosie Pike**, GFA Football Development Officer (Facilities and Investment). "Not enough clubs are aware of the machinery funding that they can access – we hope to change that and empower more clubs to get their hands on some of the fantastic machinery that T H WHITE has available. These grants can be surprisingly quick and easy to obtain and we urge all clubs to get in touch for a chat."

This partnership will see T H WHITE and the GFA team up to support clubs through at least the 2027/28 season. T H WHITE will also sponsor our annual Grounds Team of the Year award during each of the next three seasons.

T H WHITE will work to support GFA events, sharing their groundcare expertise and knowledge with our network of groundskeepers and offer a series of demonstration events throughout the partnership to showcase their equipment range in action at grass roots clubs across our territory.
